DeMartino, Dana (CIC)

We'll move right on down the agenda and at this time, for all have gonna read the minutes side.

0:1:47.860 --> 0:1:48.140

0:1:49.630 --> 0:1:51.590

DeMartino, Dana (CIC)

Catherine, please feel free.

0:1:51.750 --> 0:1:52.30

Thank you.

0:1:54.170 --> 0:1:54.540

DeMartino, Dana (CIC)

The kids?

0:1:54.550 --> 0:1:59.100

DeMartino, Dana (CIC)

I got a hard stop at 6:45, but with me the thing.

0:2:7.210 --> 0:2:8.700

DeMartino, Dana (CIC)

So we read the menace name.

0:2:8.710 --> 0:2:10.740

DeMartino, Dana (CIC)

We are taking the meeting, that's why.

0:4:21.530 --> 0:4:21.940

DeMartino, Dana (CIC)

Up.

0:4:22.10 --> 0:4:26.610

DeMartino, Dana (CIC)

This insulting, like the money that was early result, year old.

0:4:26.660 --> 0:4:27.530

DeMartino, Dana (CIC)

Yeah, but I would.

0:4:27.920 --> 0:4:31.730

DeMartino, Dana (CIC)

I would, yes, it's so sweet.

0:5:16.810 --> 0:5:17.590

DeMartino, Dana (CIC)

Two no.

0:5:34.580 --> 0:5:36.30

DeMartino, Dana (CIC)

Alright everybody to read.

0:5:38.410 --> 0:5:46.810

DeMartino, Dana (CIC)

I guess I guess I could make a motion that we accept the the Minutes, the January Minutes.

0:5:50.80 --> 0:5:51.840

DeMartino, Dana (CIC)

I second what?

0:5:52.700 --> 0:5:55.290

DeMartino, Dana (CIC)

So we go right into the exact directly before.

0:5:57.870 --> 0:5:58.150

DeMartino, Dana (CIC)

OK.

0:5:58.160 --> 0:6:1.670

DeMartino, Dana (CIC)

Well, good afternoon to everyone.

0:6:1.740 --> 0:6:4.920

DeMartino, Dana (CIC)

And ohh I will do it.

0:6:6.800 --> 0:6:26.530

DeMartino, Dana (CIC)

I would be a probably a high level overview of the activities in that tonight is April the 30 or just these numbers probably really reflect the person order of the cabin of the section of the of the fiscal year from pretty close when you ohm.

0:6:28.780 --> 0:6:36.910

DeMartino, Dana (CIC)

So first of all, just for staffing the normal process, I think is that we have 12 authorized positions that we have 11 field.

0:6:37.750 --> 0:6:40.370

DeMartino, Dana (CIC)

We still have not filled the communication right now.

0:6:40.500 --> 0:6:42.370

DeMartino, Dana (CIC)

Communications specialist position.

0:6:43.120 --> 0:7:10.880

DeMartino, Dana (CIC)

We have, I think 6 analysts which of the two senior analysts and but for program analyst along with the value director and the Chief of Staff system that we implemented our thing July now going into the second year and I guess I do I wanted to say that because we commend the staff of who was really doing the heavy death thing and put freaks from the box of that you see was factored in the report in this quarter.

0:7:11.0 --> 0:7:13.360

DeMartino, Dana (CIC)

We have done basically 6 reports.

0:7:13.390 --> 0:7:18.10

DeMartino, Dana (CIC)

Is from 6 reports Ohh three. Ohh.

0:7:20.310 --> 0:7:24.800

DeMartino, Dana (CIC)

Three inspection reports and then two will be about five or five or bigger, said six.

0:7:24.810 --> 0:7:25.800

DeMartino, Dana (CIC)

I think it's five.

0:7:26.50 --> 0:7:27.870

DeMartino, Dana (CIC)

Uh, it's reports three.

0:7:28.10 --> 0:7:33.120

DeMartino, Dana (CIC)

That we've done in two that I've completed, but also waiting for BOP approval.

0:7:33.130 --> 0:8:4.50

DeMartino, Dana (CIC)

So I guess give us five, but I guess the six months that the matter before but that we have

the related to DC codefendants ohh the decision to that there's several that are in progress of the legislative both the the survey outcomes for women in the field P and the updates on the thing that's working on with regards to the assessment of the impact of recommendations that we've made along with the best practice we do our best to be led by other members of the analyst team.

0:8:4.680 --> 0:8:13.250

DeMartino, Dana (CIC)

In addition to that, we've done 4 information sheets of the BOP residents that are for those under the age of 23.

0:8:13.300 --> 0:8:23.900

DeMartino, Dana (CIC)

Life was an extended sentences, but security novels by institutions and also something related to the demographics of of the various residents who aren't top serrated.

0:8:24.730 --> 0:8:30.620

DeMartino, Dana (CIC)

I think in addition to that, we've done 2 inspections in the last of four months.

0:8:31.300 --> 0:8:38.560

DeMartino, Dana (CIC)

Ohh, one bad album Wood and one just recently in the month of April that we've done at USP afterward.

0:8:39.720 --> 0:8:46.70

DeMartino, Dana (CIC)

Ohh, I think the one around that they're just allow people to give reports on various things.

0:8:46.200 --> 0:8:48.990

DeMartino, Dana (CIC)

I think I was closed by saying we welcome a new board number.

0:8:49.500 --> 0:8:54.350

DeMartino, Dana (CIC)

Ohh crucial saying and we were very glad that we finally got real appointment done.

0:8:55.380 --> 0:9:7.220

DeMartino, Dana (CIC)

We have, I think we have to talk about the hour or engagement video that we that we completed the work on standards of that animals are doing that.

0:9:7.230 --> 0:9:7.560

DeMartino, Dana (CIC)

We were.

0:9:9.370 --> 0:9:10.730

DeMartino, Dana (CIC)

No, it's just separating that.

0:9:10.740 --> 0:9:12.620

DeMartino, Dana (CIC)

We'll talk to Michelle Bikes as well.

0:9:12.870 --> 0:9:21.860

DeMartino, Dana (CIC)

Regarding the certain input and advice regarding to that and finally I would just say the BLP effort, I think that we finally worked out the details to do a mailing.

0:9:21.910 --> 0:9:26.80

DeMartino, Dana (CIC)

On behalf of would be with Women Voters, other basing them say that's gonna come across.

0:9:26.270 --> 0:9:36.630

DeMartino, Dana (CIC)

So I'll just pull up there and allow staff members to kind of weigh in with their very inputs on the OP or other specific projects that we have.

0:9:36.890 --> 0:9:37.740

DeMartino, Dana (CIC)

We wanna go first.

0:9:38.430 --> 0:9:39.440

DeMartino, Dana (CIC)

That you couldn't fix.

0:9:41.10 --> 0:9:48.200

DeMartino, Dana (CIC)

Ohh yes, I overlooked the OC as one of the reports problem or like like for that.

0:9:48.510 --> 0:9:51.440

DeMartino, Dana (CIC)

So we have done in the DLC focusing on food.

0:9:51.450 --> 0:10:8.420

DeMartino, Dana (CIC)

We're preparing to do a survey as a follow up to that caribal praying has continued to be the team along with today, but doing that on a quarterly basis and thank you for bringing it to our attention on the issue that we have also been engaged in Council hearings regarding the budget.

0:10:9.150 --> 0:10:28.350

DeMartino, Dana (CIC)

And as you know, citywide of that basically most agencies have been asked to take cuts and with that they were prepared to cut what was already a very tight budget within the CIC, particularly impacting us adversary in the non personal services.

0:10:28.740 --> 0:10:30.410

DeMartino, Dana (CIC)

But we've got a reprieve.

0:10:30.580 --> 0:10:40.550

DeMartino, Dana (CIC)

We usually look at this as two cuts or two bites at the apple or the man's budget is one thing and that that institutionalized the cuts to composition or whatever.

0:10:40.560 --> 0:10:52.590

DeMartino, Dana (CIC)

But I'll reprieve with the Council is looking at really funding us, and I'm hoping that we get one, not two, oppositions out of that and great again for your support in the coming year.

0:10:52.730 --> 0:11:4.800

DeMartino, Dana (CIC)

Of course, that's all projector or projection not doing where those things are gonna end up, but conversations with the public Safety Committee stamp indicates that they, at least are looking very bright.

0:11:4.810 --> 0:11:5.100

DeMartino, Dana (CIC)

No.

0:11:6.20 --> 0:11:9.70

DeMartino, Dana (CIC)

You have two people trying to figure out how they can get us some support.

0:11:9.260 --> 0:11:13.940

DeMartino, Dana (CIC)

The kind of covered some of the new responsibilities that we have as result, but on the screen of the.

0:11:17.340 --> 0:11:19.490

DeMartino, Dana (CIC)

So I'll just go down from my starving.

0:11:20.560 --> 0:11:23.250

DeMartino, Dana (CIC)

Ohh, looking cold for us.

0:11:23.320 --> 0:11:25.310

DeMartino, Dana (CIC)

That we're talking about protection.

0:11:25.350 --> 0:11:34.50

DeMartino, Dana (CIC)

Alright, one other thing I'll just mention is that we have staff members who've been sending a lot of events during the reentry mode.

0:11:34.60 --> 0:11:38.180

DeMartino, Dana (CIC)

So we've attended various panel discussions.

0:11:40.310 --> 0:11:53.420

DeMartino, Dana (CIC)

PG County had a second chance month the Second Chance Month panel discussion and the Office of the Partner Attorney had a celebration of second chances event that occurred.

0:11:53.810 --> 0:12:14.270

DeMartino, Dana (CIC)

We've had team members speak at the DC jail family reunification event, and there's been a lot of interaction with the PG Kelly Bridge Center at Adam House, which is my understanding is that there's sort of a PG version of like what the DC with DC has in terms of the Ready Center.

0:12:14.360 --> 0:12:29.650

DeMartino, Dana (CIC)

So we have a representative who's been going back and forth and trying to, you know, to

spread information about the different resources that are available within the DC and what that might look like in different jurisdictions to help them expand whatever they're trying to do.

0:12:31.820 --> 0:12:37.830

DeMartino, Dana (CIC)

We also have a lot of different efforts underway in regards to voting.

0:12:38.640 --> 0:12:59.370

DeMartino, Dana (CIC)

We are going to be facilitating a mailing on behalf of the League of Women Voters, which will be an effort to kind of spread information to candidates to encourage knowledgeable voting within the different within the facilities, and we have a mailing that will be taking place May 6th within our agency.

0:12:59.480 --> 0:13:9.730

DeMartino, Dana (CIC)

So that's a nice the bank in order to promote the information on various candidates as well as engage the community who we come in and help us stuff.

0:13:10.790 --> 0:13:21.620

DeMartino, Dana (CIC)

We also have, umm, different efforts underway to compile somewhere batch of information, because one that's for to be OP, the other one will be for the DLC.

0:13:21.630 --> 0:13:25.30

DeMartino, Dana (CIC)

So we have efforts on both end BOP and DOC efforts.

0:13:26.580 --> 0:13:28.990

DeMartino, Dana (CIC)

So I think maybe.

0:13:34.120 --> 0:13:35.960

DeMartino, Dana (CIC)

Another event we spoke about.

0:13:38.80 --> 0:13:46.90

DeMartino, Dana (CIC)

We have a Kareem Mccraney who also attended an event today that he's gonna speak about briefly.

0:13:46.440 --> 0:13:46.830

DeMartino, Dana (CIC)

We'll see.

0:13:46.840 --> 0:13:47.350

DeMartino, Dana (CIC)

Sosa.

0:13:50.800 --> 0:13:52.10

DeMartino, Dana (CIC)

So OK.

0:13:52.60 --> 0:13:53.990

DeMartino, Dana (CIC)

Ohh, good evening.

0:13:54.400 --> 0:13:57.710

DeMartino, Dana (CIC)

With us to the event that they will see so.

0:13:57.720 --> 0:13:59.450

DeMartino, Dana (CIC)

So it was a community resource day.

0:14:0.20 --> 0:14:10.10

DeMartino, Dana (CIC)

It was about, I think, 18 different facilities and maybe about 190 DC code offenders who will be coming home shortly.

0:14:10.800 --> 0:14:26.220

DeMartino, Dana (CIC)

And basically they had a I wanna say it was maybe like 19 different agencies that had a representative to speak to the population, to provide them or let them know about the resources that we have for them all once they return back to community.

0:14:26.590 --> 0:14:27.630

DeMartino, Dana (CIC)

This is something that I do.

0:14:28.410 --> 0:14:32.660

DeMartino, Dana (CIC)

Uh, I think it's like every, like, twice a year.

0:14:32.850 --> 0:14:33.320

DeMartino, Dana (CIC)

We'll see.

0:14:33.330 --> 0:14:37.300

DeMartino, Dana (CIC)

So, so on behalf of our agency, even though we're not necessarily a a.

0:14:38.730 --> 0:14:40.340

DeMartino, Dana (CIC)

A reentry resource?

0:14:40.550 --> 0:14:49.620

DeMartino, Dana (CIC)

But however, what we do, do you know when we go into these facilities and communicate with the population a lot of times they're not aware of certain resources.

0:14:49.910 --> 0:14:53.680

DeMartino, Dana (CIC)

And so we are able to connect them to those resources.

0:14:53.690 --> 0:15:15.610

DeMartino, Dana (CIC)

And basically I just spoke to them regarding those things and any any event that was at the facility, you know our you can reach out to us about conditions of confinement also you can reach out to us concerning making the connection with a particular resource that you might get might need as you begin to get ready to return back into society.

0:15:15.620 --> 0:15:18.770

DeMartino, Dana (CIC)

So I just gave him a presentation and that was pretty much it.

0:15:20.510 --> 0:15:26.210

DeMartino, Dana (CIC)

And so this, this and you wanna add anything about Bill Pieces we're talking about, you know?

0:15:26.450 --> 0:15:29.700

DeMartino, Dana (CIC)

Yeah, go into the BOP updates, I'll turn you guys around.

0:15:29.710 --> 0:15:31.430

DeMartino, Dana (CIC)

So I'm not just the disembodied voice.

0:15:33.270 --> 0:15:34.800

DeMartino, Dana (CIC)

Uh umm.

0:15:35.20 --> 0:15:41.630

DeMartino, Dana (CIC)

So director Isaac mentioned it a bit earlier, but we went to USB at water about two weeks ago.

0:15:42.620 --> 0:15:45.810

DeMartino, Dana (CIC)

We had a really good turnout actually with people coming to talk to us.

0:15:45.820 --> 0:15:48.650

DeMartino, Dana (CIC)

We got over half the people, came out to speak with us.

0:15:49.90 --> 0:15:51.100

DeMartino, Dana (CIC)

There was about 50 guys there.

0:15:51.740 --> 0:15:52.370

DeMartino, Dana (CIC)

Umm.

0:15:52.760 --> 0:16:2.400

DeMartino, Dana (CIC)

So right now we're drafting a report and just sitting up that we send out the follow up mail with like a bunch of resources for everyone that's at the facility.

0:16:2.580 --> 0:16:7.500

DeMartino, Dana (CIC)

And so some of the major issues there, there weren't really a ton, there was an issue with mail.

0:16:8.120 --> 0:16:10.510

DeMartino, Dana (CIC)

Umm, more so with delay in mail.

0:16:10.520 --> 0:16:16.510

DeMartino, Dana (CIC)

Not the not getting it, but like months long delay and there was also issues with hygiene products in the shoe.

0:16:16.520 --> 0:16:19.620

DeMartino, Dana (CIC)

But Green handled that while we were at the facility.

0:16:20.470 --> 0:16:27.480

DeMartino, Dana (CIC)

Umm but yeah, I can kind of get into just generally what we've been kind of doing this quarter as far as inspections.

0:16:28.370 --> 0:16:35.820

DeMartino, Dana (CIC)

So for our supplemental section on the survey, we've been having questions about voting since the since it's in election year.

0:16:35.990 --> 0:16:37.770

DeMartino, Dana (CIC)

So we're asking like, do you plan the vote?

0:16:37.780 --> 0:16:38.640

DeMartino, Dana (CIC)

Do you know how to register?

0:16:38.650 --> 0:16:40.320

DeMartino, Dana (CIC)

Do you know how to contact Board of Elections?

0:16:40.330 --> 0:16:51.160

DeMartino, Dana (CIC)

So if anyone says no, we still encourage them to vote as well in the mail that we do afterwards, we do have the information for Board of Elections on there so that people can chat.

0:16:51.210 --> 0:16:55.250

DeMartino, Dana (CIC)

So I'll umm as well as I know.

0:16:55.260 --> 0:16:57.990

DeMartino, Dana (CIC)

Chairman, you talked about the last open meeting.

0:16:58.0 --> 0:17:7.170

DeMartino, Dana (CIC)

I was wanting to kind of take more control over the inspection, so I do think that we have been doing a great job slowing them down like during the tour and making sure that we're leading it.

0:17:7.820 --> 0:17:10.70

DeMartino, Dana (CIC)

So I just wanna give props to the team.

0:17:10.410 --> 0:17:11.0

DeMartino, Dana (CIC)

That's great.

0:17:11.980 --> 0:17:19.230

DeMartino, Dana (CIC)

Umm as well, I wish for Schelle was here but with Priya something that me and Layla noticed walking around.

0:17:19.240 --> 0:17:22.290

DeMartino, Dana (CIC)

They don't post the number anymore in the unit.

0:17:22.700 --> 0:17:32.10

DeMartino, Dana (CIC)

We talked to Miss Parks about it and she said that it's in the facility handbook, but me and I will think that we should probably follow up on that a bit more.

0:17:32.20 --> 0:17:35.600

DeMartino, Dana (CIC)

So hopefully we'll have more information about that for you guys.

0:17:36.10 --> 0:17:39.830

DeMartino, Dana (CIC)

Also, please yes and violation.

0:17:40.290 --> 0:17:40.540

DeMartino, Dana (CIC)

Yeah.

0:17:40.550 --> 0:17:41.20

DeMartino, Dana (CIC)

Beautiful.

0:17:41.530 --> 0:17:45.800

DeMartino, Dana (CIC)

Ohh yeah, they say it's on the computer and then it's in the the AL Handbook.

0:17:46.330 --> 0:17:51.90

DeMartino, Dana (CIC)

I I feel like that's where we're sure it it should be like in the unit, right.

0:17:51.310 --> 0:17:54.810

DeMartino, Dana (CIC)

That you posted, we seen it posted, but I think that's the confusion.

0:17:54.820 --> 0:17:56.120

DeMartino, Dana (CIC)

Yeah, we've seen it posted.

0:17:56.130 --> 0:18:0.160

DeMartino, Dana (CIC)

And remember that one facility, we saw it, it was like etched on the. Yeah.

0:18:0.170 --> 0:18:0.700

DeMartino, Dana (CIC)

Yeah.

0:18:0.750 --> 0:18:3.840

DeMartino, Dana (CIC)

And then this is the first place that we didn't see the number at all.

0:18:3.930 --> 0:18:5.540

DeMartino, Dana (CIC)

But they said on the computer.

0:18:5.550 --> 0:18:8.190

DeMartino, Dana (CIC)

So you know it should be posted in the yeah.

0:18:8.230 --> 0:18:12.100

DeMartino, Dana (CIC)

Trying to get some clarification on that next Miss Parks was like, oh, they haven't in the handbooks.

0:18:12.110 --> 0:18:13.570

DeMartino, Dana (CIC)

And they don't have to put it in the unit.

0:18:13.580 --> 0:18:16.190

DeMartino, Dana (CIC)

But that doesn't sound that doesn't sound right to me.

0:18:16.260 --> 0:18:19.950

DeMartino, Dana (CIC)

So we're gonna follow up and that's hopefully we can get it clear answer on that.

0:18:20.360 --> 0:18:22.150

DeMartino, Dana (CIC)

We were also informed Atwater.

0:18:22.160 --> 0:18:28.180

DeMartino, Dana (CIC)

I don't know if you guys know, but Miss Knight left, so if she's no longer our point of contact right now I'm missing.

0:18:28.190 --> 0:18:34.670

DeMartino, Dana (CIC)

Kia Parks is, but we were informed that Atwater that she is actually not the permanent when contact.

0:18:34.900 --> 0:18:37.150

DeMartino, Dana (CIC)

So we don't know who there's.

0:18:37.160 --> 0:18:37.890

DeMartino, Dana (CIC)

There's two.

0:18:37.900 --> 0:18:39.490

DeMartino, Dana (CIC)

There's two that are like in the running.

0:18:39.900 --> 0:18:44.70

DeMartino, Dana (CIC)

I believe somebody named Pamela and other ladies, but they're like they're coming on board.

0:18:44.80 --> 0:18:48.160

DeMartino, Dana (CIC)

Yeah, we have not met these people yet, but at least I haven't.

0:18:48.210 --> 0:18:50.180

DeMartino, Dana (CIC)

Ohh, it might not be in this problem.

0:18:50.190 --> 0:18:51.0

DeMartino, Dana (CIC)

Yeah, it's not gonna be.

0:18:51.10 --> 0:18:51.500

DeMartino, Dana (CIC)

No, it's not.

0:18:51.510 --> 0:18:52.640

DeMartino, Dana (CIC)

No, definitely not. Better.

0:18:52.680 --> 0:19:4.340

DeMartino, Dana (CIC)

She's she's pretty adamant that she's not the person, so I'm not too sure when we'll have more information on that and when that new person will be coming in, but we'll, we'll let you know as soon as you do.

0:19:4.470 --> 0:19:14.390

DeMartino, Dana (CIC)

And then just the last thing we kind of learned to Atwater that the BOP really emphasizing using ARU or restrictive housing unit throughout different facilities.

0:19:17.180 --> 0:19:18.150

DeMartino, Dana (CIC)

Is it reintegrated?

0:19:18.200 --> 0:19:19.670

DeMartino, Dana (CIC)

Yeah, I think reintegrated.

0:19:19.960 --> 0:19:20.380

DeMartino, Dana (CIC)

I'm sorry.

0:19:20.390 --> 0:19:20.530

DeMartino, Dana (CIC)

I'm.

0:19:20.920 --> 0:19:21.370

DeMartino, Dana (CIC)

I'm sorry.

0:19:21.380 --> 0:19:30.410

DeMartino, Dana (CIC)

I'm spoken, reintegrated housing and then and these are just kind of areas for people that don't feel comfortable being in the general population unit.

0:19:30.420 --> 0:19:37.460

DeMartino, Dana (CIC)

For whatever reason, we had three people, 3D C people in there that we got a chance to talk to.

0:19:38.350 --> 0:19:38.830

DeMartino, Dana (CIC)

Umm.

0:19:39.270 --> 0:19:44.920

DeMartino, Dana (CIC)

So yeah, we'll keep you guys posted on that and then I'll just give you guys some of the demographics with the OP.

0:19:45.310 --> 0:19:59.350

DeMartino, Dana (CIC)

Right now we have 2422 men in custody, 576 are set to be released by April next year, and there's 65 women in BOP custody and 18 are set to be released by April of next year.

0:20:0.200 --> 0:20:6.360

DeMartino, Dana (CIC)

Umm within this quarter, so quarter 375 people will be released.

0:20:7.520 --> 0:20:10.850

DeMartino, Dana (CIC)

We have 308 residents serving life back up a second.

0:20:10.860 --> 0:20:11.80

DeMartino, Dana (CIC)

Yeah.

0:20:11.90 --> 0:20:13.290

DeMartino, Dana (CIC)

When you say released.

0:20:13.430 --> 0:20:13.850

DeMartino, Dana (CIC)

Mm-hmm.

0:20:13.890 --> 0:20:14.180

DeMartino, Dana (CIC)

Right.

0:20:15.900 --> 0:20:19.100

DeMartino, Dana (CIC)

Mostly nieces go via halfway house.

0:20:19.970 --> 0:20:22.730

DeMartino, Dana (CIC)

Uh phone residential rental center.

0:20:22.960 --> 0:20:25.690

DeMartino, Dana (CIC)

So that's maybe she's giving you the projectivity. Since then.

0:20:25.700 --> 0:20:28.600

DeMartino, Dana (CIC)

No, not most people go through their finances. So.

0:20:29.610 --> 0:20:32.0

DeMartino, Dana (CIC)

So you are coming right on the USP.

0:20:32.270 --> 0:20:34.390

DeMartino, Dana (CIC)

So they come straight out and then come straight out.

0:20:34.400 --> 0:20:40.540

DeMartino, Dana (CIC)

So yeah, this number is based on the release dates that we got the roster not based off their halfway House state.

0:20:40.550 --> 0:20:42.320

DeMartino, Dana (CIC)

So, alright, so so.

0:20:42.330 --> 0:20:44.380

DeMartino, Dana (CIC)

So those release dates, right?

0:20:44.890 --> 0:20:53.560

DeMartino, Dana (CIC)

And so typically, you know six months or whatever it go, but now folks, I don't think we really clean.

0:20:53.620 --> 0:20:58.860

DeMartino, Dana (CIC)

So now folks are actually OK, coming straight on out, no?

0:20:59.170 --> 0:21:6.610

DeMartino, Dana (CIC)

Is so one of the things I do with the data is we get the projected image staying from the OP on the rest.

0:21:7.170 --> 0:21:18.990

DeMartino, Dana (CIC)

So the roster that came on April 1st as the judge from the States, I then check and I'll be avoiding tomorrow that release of the actual releases for April.

0:21:20.100 --> 0:21:24.610

DeMartino, Dana (CIC)

We have been having a pattern of people not being released which was concerning to me.

0:21:24.910 --> 0:21:26.380

DeMartino, Dana (CIC)

Yeah, it's very bad.

0:21:26.390 --> 0:21:28.480

DeMartino, Dana (CIC)

5% of English this month.

0:21:28.490 --> 0:21:31.980

DeMartino, Dana (CIC)

Almost everybody who's predicted that, he stated they got out of their protected.

0:21:31.990 --> 0:21:42.650

DeMartino, Dana (CIC)

Please state, but they're mostly coming at the FCI spoke, but some are coming straight home from USB and only a small percentage coming through the end.

0:21:43.570 --> 0:21:57.50

DeMartino, Dana (CIC)

I mean, we'll have with 57 billions over 100 at least said well to the marathon and and and this is getting exception and what percent I guess is all of my the supervised release.

0:22:0.990 --> 0:22:1.790

DeMartino, Dana (CIC)

Doesn't give U.S.

0:22:1.800 --> 0:22:3.930

DeMartino, Dana (CIC)

Data instantly under supervision.

0:22:4.20 --> 0:22:4.480

DeMartino, Dana (CIC)

It's not.

0:22:4.820 --> 0:22:12.0

DeMartino, Dana (CIC)

As far as the we are prisons is concerned once they walk you out that they're concerned they don't know.

0:22:12.300 --> 0:22:15.830

DeMartino, Dana (CIC)

It's almost the most individuals that give released.

0:22:16.900 --> 0:22:18.810

DeMartino, Dana (CIC)

I'm gonna be on some type of supervision.

0:22:18.820 --> 0:22:22.70

DeMartino, Dana (CIC)

Supervision don't mean and they go to the halfway house, so they can just give release.

0:22:22.120 --> 0:22:22.970

DeMartino, Dana (CIC)

Go to see so.

0:22:22.980 --> 0:22:31.130

DeMartino, Dana (CIC)

So get they supervision officer and you know they'll have terms of probation over having nine times out of 10 of person getting released from prison.

0:22:31.140 --> 0:22:34.150

DeMartino, Dana (CIC)

It's not just getting straight out because you're not doing a whole sentence.

0:22:34.160 --> 0:22:45.110

DeMartino, Dana (CIC)

You doing that 85% so because of that 85% that remain the then put on some type of supervision you're getting out on parole, but they're not getting halfway house done but not even parole was different.

0:22:45.220 --> 0:22:48.620

DeMartino, Dana (CIC)

And then let's see what version is 5.

0:22:48.630 --> 0:22:52.100

DeMartino, Dana (CIC)

Most part of both sentences now, since they did away with.

0:22:53.190 --> 0:22:53.840

DeMartino, Dana (CIC)

So yeah.

0:22:53.890 --> 0:22:56.520

DeMartino, Dana (CIC)

Yeah, but the but this isn't trim.

0:22:57.30 --> 0:22:57.750

DeMartino, Dana (CIC)

Yeah, right.

0:22:57.760 --> 0:23:2.530

DeMartino, Dana (CIC)

This is definite trend for folks now you know coming.

0:23:4.550 --> 0:23:11.540

DeMartino, Dana (CIC)

You know, without getting any form of presidential interest in time, it's definitely stranded itself.

0:23:11.550 --> 0:23:45.10

DeMartino, Dana (CIC)

When we need to kind of keep close watch on especially and relate to people going back and that that residentially interest in a time is the really good act with me you know so it's always the camping with your clothes off and and I'm keeping a closer eye on that and then every month now you how many folks are coming how many directly out of the USP directly at the FCI directly have Medical Center or directly or through them we can do that we've got the people.

0:23:47.80 --> 0:23:54.480

DeMartino, Dana (CIC)

Umm, so the total population at the BOP has actually decreased this quarter by 147 people.

0:23:54.490 --> 0:24:1.660

DeMartino, Dana (CIC)

That's about 6% without DC folk DCP since April of last year.

0:24:1.670 --> 0:24:5.60

DeMartino, Dana (CIC)

So this is the yearly how much the population has changed.

0:24:5.70 --> 0:24:13.810

DeMartino, Dana (CIC)

It's increased by 10% and then the women's population has increased by 18% since January.

0:24:14.60 --> 0:24:21.170

DeMartino, Dana (CIC)

Since the beginning of this quarter, it started at about 5550 when we were down this 42.

0:24:23.450 --> 0:24:23.880

DeMartino, Dana (CIC)

We're done.

0:24:23.990 --> 0:24:26.830

DeMartino, Dana (CIC)

In January, we were, yeah, now we're at 65.

0:24:26.950 --> 0:24:27.660

DeMartino, Dana (CIC)

Mistaken indeed.

0:24:31.320 --> 0:24:32.920

DeMartino, Dana (CIC)

It's better than 41 and two.

0:24:34.70 --> 0:24:37.440

DeMartino, Dana (CIC)

And now at the 65 in January, it was at 55.

0:24:37.720 --> 0:24:38.80

DeMartino, Dana (CIC)

Was there.

0:24:38.90 --> 0:24:39.130

DeMartino, Dana (CIC)

Anything crazy?

0:24:40.40 --> 0:24:40.770

DeMartino, Dana (CIC)

It's Buffy.

0:24:40.780 --> 0:24:43.90

DeMartino, Dana (CIC)

This from 41 to 65.

0:24:43.100 --> 0:24:44.270

DeMartino, Dana (CIC)

That's quick question.

0:24:45.520 --> 0:24:46.350

DeMartino, Dana (CIC)

OK, you got it.

0:24:46.920 --> 0:24:49.550

DeMartino, Dana (CIC)

I want me to cut that thing in that one, OK?

0:24:53.300 --> 0:24:55.280

DeMartino, Dana (CIC)

So you said that was in January, right?

0:24:56.670 --> 0:25:0.470

DeMartino, Dana (CIC)

The 58% increase, yes, 50 eights and increase.

0:25:0.520 --> 0:25:2.970

DeMartino, Dana (CIC)

Yeah, it's substantial.

0:25:2.980 --> 0:25:3.720

DeMartino, Dana (CIC)

Went to school.

0:25:4.0 --> 0:25:8.740

DeMartino, Dana (CIC)

Substantial increase and we started even like we now have 3.

0:25:12.450 --> 0:25:12.840

DeMartino, Dana (CIC)

OK.

0:25:12.970 --> 0:25:17.910

DeMartino, Dana (CIC)

And then yeah, I'll talk to you in seems to be getting a little down there, especially when.

0:25:20.130 --> 0:25:25.360

DeMartino, Dana (CIC)

And then I'll just wrap it up and say that most of our population is still located in FCI.

0:25:25.570 --> 0:25:28.300

DeMartino, Dana (CIC)

Hazelton is still number one for men and women.

0:25:29.290 --> 0:25:31.20

DeMartino, Dana (CIC)

I'll go ahead and wrap up there.

0:25:31.30 --> 0:25:32.140

DeMartino, Dana (CIC)

That's what you mean.

0:25:33.280 --> 0:25:35.70

DeMartino, Dana (CIC)

No, it's something that you can't have.

0:25:35.160 --> 0:25:36.750

DeMartino, Dana (CIC)

Yeah, it's feasible.

0:25:36.830 --> 0:25:37.170

DeMartino, Dana (CIC)

Yeah.

0:25:37.180 --> 0:25:40.220

DeMartino, Dana (CIC)

And it and it's on the bottom or on the website.

0:25:40.260 --> 0:25:44.100

DeMartino, Dana (CIC)

And I think that's funny, but for so.

0:25:46.100 --> 0:25:52.840

DeMartino, Dana (CIC)

When we send out the meeting minutes after this, we include the occluder population data and carino's updates as well.

0:25:53.210 --> 0:25:54.890

DeMartino, Dana (CIC)

It's it's it's a what's the?

0:25:54.900 --> 0:25:56.50

DeMartino, Dana (CIC)

What's the golden rentals?

0:25:56.60 --> 0:25:57.80

DeMartino, Dana (CIC)

Such a good demographic.

0:25:57.90 --> 0:26:4.690

DeMartino, Dana (CIC)

What's the rest that I that is so the Board of Elections gave us information on the voters.

0:26:4.700 --> 0:26:8.780

DeMartino, Dana (CIC)

I handed out a sheet and bring you up to date on that.

0:26:9.340 --> 0:26:31.380

DeMartino, Dana (CIC)

Portable license gave us the list of registered voters by address and by Ward, and there were 1300 and 454 parts rated voters, bringing up 31 of them or the jail, 32 are held at Prince Georges County Jail and 991 had to be up into us.

0:26:32.890 --> 0:26:41.480

DeMartino, Dana (CIC)

Of the 990 one 957 and have a party affiliation and therefore eligible to vote in the frame.

0:26:41.650 --> 0:27:3.770

DeMartino, Dana (CIC)

If you are not party filiated, you cannot primary and then we have the work breakdown because the league of Women Voters says prepared materials by ward because there are so many candidates that different mailing was going to people in each ward and and we're gonna be doing that stuffing and mailing on May 6th at noon.

0:27:3.780 --> 0:27:5.490

DeMartino, Dana (CIC)

Y'all are welcome to come stuff.

0:27:5.500 --> 0:27:12.650

DeMartino, Dana (CIC)

Those 957 develops and then just cause I thought, yeah, I'll be curious about where our voters are.

0:27:12.930 --> 0:27:14.840

DeMartino, Dana (CIC)

I gave you a largest cluster of voters.

0:27:16.480 --> 0:27:20.450

DeMartino, Dana (CIC)

That you need for the right also puts the minutes. Yeah.

0:27:21.290 --> 0:27:28.510

DeMartino, Dana (CIC)

So for pet it keep, you know cause no we have to do before this way. That's right.

0:27:28.580 --> 0:27:28.900

DeMartino, Dana (CIC)

Right.

0:27:29.140 --> 0:27:32.190

DeMartino, Dana (CIC)

Ohm if you can remember this right.

0:27:32.340 --> 0:27:35.660

DeMartino, Dana (CIC)

Yeah, that the CIC is participating in online.

0:27:36.990 --> 0:27:38.400

DeMartino, Dana (CIC)

Uh education.

0:27:38.830 --> 0:27:49.590

DeMartino, Dana (CIC)

Yes, education process for both education series with all of the BOP they've been Petersburg that they came in the funding of.

0:27:50.730 --> 0:27:58.120

DeMartino, Dana (CIC)

So good thing my would she can give you the list of everyone that has gone through.

0:27:58.400 --> 0:28:0.850

DeMartino, Dana (CIC)

But I'm on there, so we'll see IC.

0:28:1.380 --> 0:28:1.660

DeMartino, Dana (CIC)

Good.

0:28:1.670 --> 0:28:1.950

DeMartino, Dana (CIC)

I'm on.

0:28:1.960 --> 0:28:4.290

DeMartino, Dana (CIC)

It called too, so make sure that's in the before.

0:28:4.380 --> 0:28:19.590

DeMartino, Dana (CIC)

Yeah, that the CRC is participating and really encouraging thing is that the Board of Elections when they first were required to do the but joint report when CI seeing, I have to admit they were rather hesitant.

0:28:19.650 --> 0:28:24.110

DeMartino, Dana (CIC)

They have not been used to being watched by an oversight agency like us.

0:28:25.350 --> 0:28:27.540

DeMartino, Dana (CIC)

And yet this year they are.

0:28:28.30 --> 0:28:30.40

DeMartino, Dana (CIC)

But chomping at the bit with Russia?

0:28:30.50 --> 0:28:33.600

DeMartino, Dana (CIC)

ASM to get the report out which will be after the general election.

0:28:34.510 --> 0:28:40.890

DeMartino, Dana (CIC)

Uh, because of the great success and the number of people who've registered in their voting, show me the butcher.

0:28:40.900 --> 0:28:43.520

DeMartino, Dana (CIC)

But I want you to hear the LC before you have to do everything.

0:28:43.630 --> 0:28:46.790

DeMartino, Dana (CIC)

I want to talk about the accurate, but no no.

0:28:46.970 --> 0:28:49.930

DeMartino, Dana (CIC)

Like bring the DLC and then the commercial mistake.

0:28:49.940 --> 0:28:51.660

DeMartino, Dana (CIC)

You'll have any more questions about the FP.

0:28:55.480 --> 0:28:55.650

DeMartino, Dana (CIC)

That.

0:28:55.680 --> 0:28:59.380

DeMartino, Dana (CIC)

OK, I'm starting around 6:00 or you'll see that start with.

0:29:1.810 --> 0:29:3.380

DeMartino, Dana (CIC)

Yes, I'll, I'll.

0:29:3.390 --> 0:29:4.10

DeMartino, Dana (CIC)

I'll be brief.

0:29:4.920 --> 0:29:14.950

DeMartino, Dana (CIC)

Out on the 27th March, we went to the DOC for site visits specifically geared towards our phone service and the kitchen.

0:29:15.230 --> 0:29:15.860

DeMartino, Dana (CIC)

Ohh.

0:29:15.870 --> 0:29:21.560

DeMartino, Dana (CIC)

When we went in there, they were in the process of actually preparing the meal that were preparing the lunch meal.

0:29:22.530 --> 0:29:27.510

DeMartino, Dana (CIC)

Just, you know, observing the early was very it was clean.

0:29:27.990 --> 0:29:31.420

DeMartino, Dana (CIC)

Ohh, you had a residence down there.

0:29:31.430 --> 0:29:38.390

DeMartino, Dana (CIC)

All the work that the residents do down there, they don't deal with any of the food, only people that deal with the food is the people that work for Arma.

0:29:38.400 --> 0:29:44.210

DeMartino, Dana (CIC)

Armand is the people that have our DOC deal with the food service.

0:29:44.540 --> 0:29:53.760

DeMartino, Dana (CIC)

The residents are only allowed to do ohh sanitation work done and they got like 6 individuals that conduct sanitation on each shift.

0:29:53.950 --> 0:30:0.320

DeMartino, Dana (CIC)

You have like 40 Vermont workers that work down there to prepare the food Blogger facility.

0:30:0.610 --> 0:30:2.390

DeMartino, Dana (CIC)

The DOC only has one kitchen.

0:30:2.400 --> 0:30:8.900

DeMartino, Dana (CIC)

You know that they have the CTF portion and then they have what we know is CDF DC jail, but they only have one kitchen.

0:30:8.910 --> 0:30:10.310

DeMartino, Dana (CIC)

The kitchen exists in the city.

0:30:11.90 --> 0:30:13.80

DeMartino, Dana (CIC)

Yes, that other facility.

0:30:13.90 --> 0:30:28.280

DeMartino, Dana (CIC)

However, it doesn't seem to cause any type of delay for residents to get their food when they do is one day they might serve the CDF's have first, and then the next day they will serve the CDF CTF side, and vice versa.

0:30:28.450 --> 0:30:30.440

DeMartino, Dana (CIC)

They have all individualized.

0:30:30.740 --> 0:30:45.230

DeMartino, Dana (CIC)

Ohh hidden costs or hot carts for each housing unit and as the food is is being transported to the unit the food once they unplug it the food could stay warm up to 45 minutes right?

0:30:45.340 --> 0:30:51.190

DeMartino, Dana (CIC)

But even still, when it gets to the housing unit, the costs can be plugged back up at the food remains and the salad pool.

0:30:51.320 --> 0:30:54.590

DeMartino, Dana (CIC)

They keep the food warm, they keep food warm or the DOC.

0:30:54.600 --> 0:30:55.540

DeMartino, Dana (CIC)

They serve three meals.

0:30:57.640 --> 0:31:0.350

DeMartino, Dana (CIC)

Had meal for breakfast or sometimes called Siri.

0:31:0.850 --> 0:31:5.190

DeMartino, Dana (CIC)

Always a cold meal for lunch and then I have meal for dinner.

0:31:5.720 --> 0:31:15.160

DeMartino, Dana (CIC)

We acquired with them about the different food selection because they only serve apples and they give out apples every other day during the lunch meal, they said.

0:31:15.170 --> 0:31:18.720

DeMartino, Dana (CIC)

Previously, they were serving our bananas, and previously they had oranges.

0:31:20.20 --> 0:31:21.960

DeMartino, Dana (CIC)

The thing about the bananas, they wasn't right.

0:31:21.990 --> 0:31:24.550

DeMartino, Dana (CIC)

And then by the time that they do give ripe, they're no good.

0:31:24.640 --> 0:31:30.10

DeMartino, Dana (CIC)

The thing about the oranges, they say residents was pulling the oranges and smoking them, so they stopped doing that.

0:31:30.260 --> 0:31:51.950

DeMartino, Dana (CIC)

So they said now or in the near future, they're trying to get a contract in regard to like strawberries and other different foods and our our fruits, so that our residents can have, but uh variety also in inspecting the kitchen we see that they purchased 6 new ovens in 2023.

0:31:53.740 --> 0:32:15.410

DeMartino, Dana (CIC)

Excuse me and also one of the things that that we discovered is that the the contractor, the contract administrator and followed us that they pass out surveys twice a year in order for residents to make recommendations about food choices and stuff like that.

0:32:15.800 --> 0:32:24.130

DeMartino, Dana (CIC)

And they said they issued out 400 previously and they only got like 60 responses back from the 400 surveys.

0:32:24.180 --> 0:32:38.990

DeMartino, Dana (CIC)

So one of the things we were trying to do that we're working on currently, it's just to see how we can maybe assist them with coming up on our with coming up with a survey, all the tablets and maybe get a better response.

0:32:41.580 --> 0:32:42.510

DeMartino, Dana (CIC)

The finger of death.

0:32:49.100 --> 0:32:51.550

DeMartino, Dana (CIC)

Yeah, that's that's about it.

0:32:51.640 --> 0:32:56.30

DeMartino, Dana (CIC)

With the old you also will have a comment out the Matic report.

0:32:56.300 --> 0:33:2.280

DeMartino, Dana (CIC)

Then specifically with food service shortly, hopefully we'll have a draft done within the next week or so.

0:33:3.760 --> 0:33:4.290

DeMartino, Dana (CIC)

Thank you, Sir.

0:33:5.180 --> 0:33:9.480

DeMartino, Dana (CIC)

During classes are really quick question and I apologize to you said this at the beginning first.

0:33:9.490 --> 0:33:10.210

DeMartino, Dana (CIC)

Hi, good to see you.

0:33:10.560 --> 0:33:17.840

DeMartino, Dana (CIC)

I'm I you were describing the process of they can keep the food warm for the hot meals, right?

0:33:17.850 --> 0:33:21.550

DeMartino, Dana (CIC)

Does that seem to be working like our residents getting more meals?

0:33:22.360 --> 0:33:29.360

DeMartino, Dana (CIC)

So all I think the the the main complaint that comes from resident regarding the food is that it just doesn't taste good.

0:33:30.480 --> 0:33:33.530

DeMartino, Dana (CIC)

Yeah, you know that seems that seems to be the main thing.

0:33:33.680 --> 0:33:39.310

DeMartino, Dana (CIC)

It just, you know, they're the selection of food, the variety and the tapes more sure than the food there.

0:33:39.320 --> 0:33:44.840

DeMartino, Dana (CIC)

How to cold at one time we were getting complaints about dinner being cold because they were serving cold meal for dinner.

0:33:47.40 --> 0:33:48.550

DeMartino, Dana (CIC)

You made a recommendation I guess.

0:33:48.560 --> 0:33:54.750

DeMartino, Dana (CIC)

Maybe like last year, the kind of go back into them, they all put the lunch meal cool and the dinner meal hot.

0:33:55.10 --> 0:33:57.550

DeMartino, Dana (CIC)

And so the DOC took that recommendation and done that.

0:33:57.640 --> 0:33:59.550

DeMartino, Dana (CIC)

And so they get a hot meal for dinner.

0:33:59.560 --> 0:34:3.940

DeMartino, Dana (CIC)

But it's mainly just on the variation and it takes and.

0:34:6.120 --> 0:34:11.10

DeMartino, Dana (CIC)

Well, better to not have cold, but still I I that does not yet.

0:34:11.440 --> 0:34:12.250

DeMartino, Dana (CIC)

Alright, that's great.

0:34:12.260 --> 0:34:12.790

DeMartino, Dana (CIC)

Thank you.

0:34:13.780 --> 0:34:29.60

DeMartino, Dana (CIC)

Jump in real quick ring brought up something that I did wanna flag and that was the recommendation that the top meal was served at dinner only on how she they got some.

0:34:32.870 --> 0:34:39.160

DeMartino, Dana (CIC)

That's in progress and I'm a flag and one of them is the update to the recommendation assessment series.

0:34:39.470 --> 0:34:42.100

DeMartino, Dana (CIC)

I guess that's something that Dana DeMarco was doing.

0:34:42.110 --> 0:34:58.440

DeMartino, Dana (CIC)

I wanna flag it is because it's those kind of recommendations that we need to keep track of, especially recommendations that are, you know, given from the CIC that are acceptable of this by the BOP or the DLC or whomever.

0:34:58.750 --> 0:35:0.290

DeMartino, Dana (CIC)

Who we do wanna have a, you know.

0:35:2.450 --> 0:35:8.960

DeMartino, Dana (CIC)

Down to what we've been recommending recommending and have the institutions, then you know doing that.

0:35:9.210 --> 0:35:12.680

DeMartino, Dana (CIC)

The other thing is it's the names.

0:35:12.690 --> 0:35:14.70

DeMartino, Dana (CIC)

I have progress, right?

0:35:14.330 --> 0:35:15.850

DeMartino, Dana (CIC)

The legislative book.

0:35:16.820 --> 0:35:17.50

DeMartino, Dana (CIC)

Yeah.

0:35:18.490 --> 0:35:30.360

DeMartino, Dana (CIC)

And and I wanted to flag it and specifically that you and let the board know that there is a booklet being prepared with a not, I don't think all of legislation.

0:35:32.330 --> 0:35:36.320

DeMartino, Dana (CIC)

The relevant legislation that applies to you know DC code.

0:35:37.200 --> 0:35:51.460

DeMartino, Dana (CIC)

You know residence omnibus stuff that happens, you know, I mean, we gonna count to keep a good real clear legislative booklet so that, you know, when we communicate, we be able to tell people exactly what legislation is passed.

0:35:51.740 --> 0:35:52.770

DeMartino, Dana (CIC)

You'd be surprised.

0:35:52.780 --> 0:36:14.510

DeMartino, Dana (CIC)

Like I've been on probably about 8 different zooms with a, you know, residence in the BOP and and none of them were of the first step back change the, you know they are because of the legislation that was passed that you know it does apply then to DC residence.

0:36:14.520 --> 0:36:19.430

DeMartino, Dana (CIC)

So I think people track of that stuff is gonna be real beneficial with us.

0:36:19.940 --> 0:36:24.490

DeMartino, Dana (CIC)

The other thing is the the best practice standards, right?

0:36:24.840 --> 0:36:29.870

DeMartino, Dana (CIC)

And I think this is something we really gotta dig into a little deeper, you know?

0:36:29.880 --> 0:36:34.760

DeMartino, Dana (CIC)

I know there's been communications with Michelle die and and other folks.

0:36:34.770 --> 0:36:35.780

DeMartino, Dana (CIC)

You know what I think?

0:36:36.10 --> 0:36:54.560

DeMartino, Dana (CIC)

You know, even as a board, we need to really kind of dig in a little deeper and really come up with, you know, what best practices look like and start, you know, I know we were real hopeful with the new director and everything with the BOP.

0:36:54.770 --> 0:36:59.770

DeMartino, Dana (CIC)

But I think you know this information had to come from somewhere.

0:37:0.200 --> 0:37:6.450

DeMartino, Dana (CIC)

And as of right now, it's it's not a whole lot of people that are leading that charge.

0:37:6.960 --> 0:37:14.910

DeMartino, Dana (CIC)

You know, and I think of, you know, we are trying to take on some of that task, you know via the CIC.

0:37:15.360 --> 0:37:32.50

DeMartino, Dana (CIC)

But I think it's it's definitely now is really the time to really begin to look at, you know, best practices and and facilities and the role we can, you know, play and making sure that just to you know, not just the minimum standards are being met.

0:37:32.390 --> 0:37:39.740

DeMartino, Dana (CIC)

You know that there are some greater standards and you know somebody even can be looked at as best practices.

0:37:40.70 --> 0:37:44.60

DeMartino, Dana (CIC)

That's just something I wanted to flag, and all of these are in progress.

0:37:44.830 --> 0:37:53.270

DeMartino, Dana (CIC)

There's specific staff that are working on this, you know, and I would definitely encourage the stab to reach out.

0:37:53.410 --> 0:37:55.560

DeMartino, Dana (CIC)

You got a wealth of knowledge, you know with.

0:37:57.670 --> 0:38:5.860

DeMartino, Dana (CIC)

To share your keichi, Catherine, you know we got folks that I had been in this, you know, for quite some time.

0:38:5.870 --> 0:38:13.980

DeMartino, Dana (CIC)

So I would definitely encourage, encourage you all to keep them, you know, informed and involved cause and then they got a strong network.

0:38:14.200 --> 0:38:15.290

DeMartino, Dana (CIC)

We should call the roll it.

0:38:15.300 --> 0:38:16.720

DeMartino, Dana (CIC)

That's man and roll it.

0:38:16.730 --> 0:38:24.330

DeMartino, Dana (CIC)

Decks now market just in the cloud, but you know the thing you know, he's take advantage of it.

0:38:24.480 --> 0:38:29.930

DeMartino, Dana (CIC)

Even before I want to bring that up again, I got a paid.

0:38:29.940 --> 0:38:36.380

DeMartino, Dana (CIC)

Leave this about 646264640, so I don't know if you all had any more questions or something else.

0:38:36.390 --> 0:38:46.470

DeMartino, Dana (CIC)

I wanted the right ohh the data, the information sheets and the data that we collect right, I think and it's good data.

0:38:46.520 --> 0:38:55.710

DeMartino, Dana (CIC)

I mean, even listening to the data that Sydney was, so you know, going through, you know, I mean we will, I don't know you all were here.

0:38:55.720 --> 0:39:2.250

DeMartino, Dana (CIC)

We were talking about the uptick in the women, you know, from DC in the BOP.

0:39:2.520 --> 0:39:7.70

DeMartino, Dana (CIC)

You know, I think now we gotta start thinking about how we're gonna use this data.

0:39:8.580 --> 0:39:11.90

DeMartino, Dana (CIC)

You know, I mean I think that's a bull.

0:39:11.100 --> 0:39:20.900

DeMartino, Dana (CIC)

You know, we can kind of come together, we getting a lot of data and this data that people really don't have access to, you know, but we need to be using their way.

0:39:21.40 --> 0:39:29.70

DeMartino, Dana (CIC)

It's gonna be beneficial to help try to change some of the policies and create legislation or or for whatever purpose.

0:39:29.80 --> 0:39:35.110

DeMartino, Dana (CIC)

We gotta really look at what we gonna do with this data as we continue because we have access to it.

0:39:35.300 --> 0:39:41.450

DeMartino, Dana (CIC)

That's being, you know, ciphered out there in a way that it can be used for specific purposes.

0:39:41.920 --> 0:39:56.390

DeMartino, Dana (CIC)

So if there's no more than the get it up to the CJCC and you know many anywhere else that could be beneficial to change policies and stuff when the kind of what you do.

0:39:58.250 --> 0:39:58.960

DeMartino, Dana (CIC)

Before you leave.

0:39:58.970 --> 0:39:59.400

DeMartino, Dana (CIC)

But Brexit.

0:39:59.410 --> 0:40:4.200

DeMartino, Dana (CIC)

Ever wanna get mine and want to give an update on one long standing project that they had to send?

0:40:4.210 --> 0:40:8.480

DeMartino, Dana (CIC)

The conversation will come back to the LCD, but I wanted to and the.

0:40:8.550 --> 0:40:12.290

DeMartino, Dana (CIC)

So yeah, you sorry to interrupt.

0:40:12.300 --> 0:40:15.30

DeMartino, Dana (CIC)

Could you turn this just so we can see we should have some.

0:40:15.40 --> 0:40:18.750

DeMartino, Dana (CIC)

Ohh you I'm in the corner.

0:40:19.40 --> 0:40:21.440

DeMartino, Dana (CIC)

The umm I just wanted to give it.

0:40:25.960 --> 0:40:29.110

DeMartino, Dana (CIC)

Ohh completed with subtitles and everything.

0:40:29.390 --> 0:40:33.720

DeMartino, Dana (CIC)

So the name of the documentary is the incarceration Reduction Amendment Act.

0:40:34.100 --> 0:40:35.510

DeMartino, Dana (CIC)

Colon creating hope.

0:40:35.780 --> 0:40:45.920

DeMartino, Dana (CIC)

So we are planning on having a screening at the Martin Luther King, the new league renovated Martin Luther King Public Library in the auditorium on August the 8th.

0:40:50.340 --> 0:40:51.290

DeMartino, Dana (CIC)

I'm at 8:00 PM.

0:40:51.680 --> 0:40:53.170

DeMartino, Dana (CIC)

So you know I'm.

0:40:53.220 --> 0:40:53.450

DeMartino, Dana (CIC)

I'm.

0:40:53.460 --> 0:40:53.720

DeMartino, Dana (CIC)

I'm.

0:40:53.760 --> 0:41:0.330

DeMartino, Dana (CIC)

I'm I am expecting that you all will be there and we're, you know, get invite everybody who's willing to come.

0:41:0.420 --> 0:41:5.130

DeMartino, Dana (CIC)

But you know, if you have any partners that would like to work with us or anything like that, I think that would be great.

0:41:5.140 --> 0:41:16.160

DeMartino, Dana (CIC)

But we are, umm, we are also looking for panelists to cause after we show it, we're going to have a panel discussion just kind of discussing what the film was about.

0:41:16.270 --> 0:41:22.650

DeMartino, Dana (CIC)

So and then after that, we'll probably have like some sort of like uh bits and things like that afterwards.

0:41:22.660 --> 0:41:27.230

DeMartino, Dana (CIC)

Still trying to figure if we're gonna have entertainment, but the date is set and the documentary is complete.

0:41:27.240 --> 0:41:30.170

DeMartino, Dana (CIC)

So that was a project I think we embarked to fund in 2022.

0:41:30.180 --> 0:41:37.290

DeMartino, Dana (CIC)

So it's finally ready and we're excited to show everybody on the 8th of August how long is the the Doctor.

0:41:37.300 --> 0:41:43.90

DeMartino, Dana (CIC)

So it's like 35 minutes total and then probably the panel discussion be another 30 minutes.

0:41:43.220 --> 0:41:44.630

DeMartino, Dana (CIC)

I'll supposed doctor Moon.

0:41:44.740 --> 0:41:48.230

DeMartino, Dana (CIC)

Ohh yes umm it it would be really good.

0:41:50.270 --> 0:41:54.130

DeMartino, Dana (CIC)

To figure out how to get it into the field, the documentary.

0:41:56.100 --> 0:41:56.700

DeMartino, Dana (CIC)

Absolutely.

0:41:56.810 --> 0:41:57.400

DeMartino, Dana (CIC)

That we needed.

0:41:57.810 --> 0:42:1.180

DeMartino, Dana (CIC)

Really work towards trying to get it into the PLP.

0:42:3.70 --> 0:42:7.300

DeMartino, Dana (CIC)

There's a on the voting side, there's some real strong.

0:42:7.350 --> 0:42:8.140

DeMartino, Dana (CIC)

Ohh, you know what?

0:42:8.150 --> 0:42:9.680

DeMartino, Dana (CIC)

I've been going to that too.

0:42:9.910 --> 0:42:21.730

DeMartino, Dana (CIC)

So on the DLC, early voting in the 29th of May, right 28th and 29th of May for early voting at the DLC.

0:42:22.120 --> 0:42:26.910

DeMartino, Dana (CIC)

Also, there'll be a candidate form, probably on the 21st.

0:42:26.920 --> 0:42:28.550

DeMartino, Dana (CIC)

It's being put in place now.

0:42:28.880 --> 0:42:30.50

DeMartino, Dana (CIC)

It'll be war seven.

0:42:30.60 --> 0:42:34.860

DeMartino, Dana (CIC)

Only candidate form cause the DLC is in Ward 7 so.

0:42:37.380 --> 0:42:41.340

DeMartino, Dana (CIC)

I'm gonna say you could mark the account and we just talked about a 30 minutes ago, though.

0:42:41.350 --> 0:42:46.560

DeMartino, Dana (CIC)

So anything could happen, you know, but it appeared like we're gonna be able to do that.

0:42:47.20 --> 0:42:52.490

DeMartino, Dana (CIC)

It may be the first ever only cannabis form inside of a prison.

0:42:53.40 --> 0:42:53.890

DeMartino, Dana (CIC)

I'm gonna find out.

0:42:53.900 --> 0:42:56.790

DeMartino, Dana (CIC)

I I don't know any other ones that may.

0:42:56.890 --> 0:42:58.320

DeMartino, Dana (CIC)

I mean in jail, not prison.

0:42:58.330 --> 0:43:1.530

DeMartino, Dana (CIC)

In jail may have been something I don't want to go on the record.

0:43:4.10 --> 0:43:4.730

DeMartino, Dana (CIC)

Something done.

0:43:5.220 --> 0:43:10.910

DeMartino, Dana (CIC)

I've been looking at it, all that stuff initially with that part right.

0:43:10.920 --> 0:43:14.260

DeMartino, Dana (CIC)

So then then the person you just talked about did a.

0:43:15.660 --> 0:43:16.460

DeMartino, Dana (CIC)

This is just do a.

0:43:18.440 --> 0:43:23.740

DeMartino, Dana (CIC)

So yeah, she just needed a booklet or something, right?

0:43:23.750 --> 0:43:25.400

DeMartino, Dana (CIC)

Yeah, she did a article.

0:43:25.450 --> 0:43:28.160

DeMartino, Dana (CIC)

I think it was a hard I see.

0:43:28.170 --> 0:43:30.530

DeMartino, Dana (CIC)

No, I was going a little bit to face.

0:43:30.610 --> 0:43:32.570

DeMartino, Dana (CIC)

I don't think it's the hard business for this.

0:43:33.180 --> 0:43:40.10

DeMartino, Dana (CIC)

Uh, but yeah, they talked about we see as the model for voting and I think we've come a long way since she went that article, right.

0:43:40.20 --> 0:43:44.600

DeMartino, Dana (CIC)

So I just wanted to bring what we had on democracy and that that Toby is young.

0:43:45.180 --> 0:43:46.810

DeMartino, Dana (CIC)

Have you went want.

0:43:47.100 --> 0:43:48.790

DeMartino, Dana (CIC)

I'm a I'm gonna send it to you all this.

0:43:48.800 --> 0:43:57.250

DeMartino, Dana (CIC)

It's really about DC and DC leading the way around voting while incarcerated, and I make sure y'all get that.

0:43:57.680 --> 0:44:1.900

DeMartino, Dana (CIC)

And I'm all about this doom at this time.

0:44:3.620 --> 0:44:8.140

DeMartino, Dana (CIC)

Ohh and and also we're not gonna have the closed portion of the meeting.

0:44:9.0 --> 0:44:12.560

DeMartino, Dana (CIC)

So this four, we wouldn't have anything.

0:44:12.570 --> 0:44:12.960

DeMartino, Dana (CIC)

So.

0:44:13.970 --> 0:44:19.340

DeMartino, Dana (CIC)

So with that, I'm gonna turn the meeting over to you all for the last 15 minutes or so.

0:44:19.350 --> 0:44:19.940

DeMartino, Dana (CIC)

Another point.

0:44:19.990 --> 0:44:21.500

DeMartino, Dana (CIC)

OK. OK.

0:44:21.640 --> 0:44:21.920

DeMartino, Dana (CIC)

Thank you.

0:44:22.440 --> 0:44:23.100

DeMartino, Dana (CIC)

Thank you.

0:44:23.110 --> 0:44:23.490

DeMartino, Dana (CIC)

Thank you.

0:44:23.590 --> 0:44:24.320

DeMartino, Dana (CIC)

Thank you.

0:44:24.530 --> 0:44:28.460

DeMartino, Dana (CIC)

And I sort of jumped around just to say so.

0:44:28.470 --> 0:44:31.180

DeMartino, Dana (CIC)

But we have Catherine and it keeps you on.

0:44:31.190 --> 0:44:41.960

DeMartino, Dana (CIC)

I think that last issue when Neil was talking about the documentary that will be presented and I think the chairman had a great recommendation saying that we were getting into the BOP.

0:44:42.540 --> 0:44:45.830

DeMartino, Dana (CIC)

But I think that would be through video conferencing.

0:44:47.90 --> 0:44:49.120

DeMartino, Dana (CIC)

Yeah, or ohh.

0:44:51.630 --> 0:44:53.20

DeMartino, Dana (CIC)

So it's kind of weird, right?

0:44:53.30 --> 0:45:2.240

DeMartino, Dana (CIC)

Because like the BOP, they allowed people to send videos in, but they do it through like the chopper, OHS right to religious services.

0:45:2.250 --> 0:45:14.330

DeMartino, Dana (CIC)

So I'm figuring that they do that, maybe it might be a way that we can actually, you know just send it in there and they keep like they movies and stuff and the Chapel room and have it available for people who want to see it, they can just go down there.

0:45:14.430 --> 0:45:15.940

DeMartino, Dana (CIC)

Do it maybe.

0:45:16.430 --> 0:45:18.840

DeMartino, Dana (CIC)

If not, just have to do a showing or something.

0:45:18.850 --> 0:45:23.310

DeMartino, Dana (CIC)

Well, I was thinking we could do both because we do cause what you did today was video conference, right.

0:45:23.320 --> 0:45:23.650

DeMartino, Dana (CIC)

Right.

0:45:23.780 --> 0:45:41.270

DeMartino, Dana (CIC)

I mean, I just remember when we when video conference and first started that they used to better be very if there was an appropriate thing to see social sanction that they would use their resources to kind of connect then the pipe it in yeah, because even when we do that you know that's a partnership between the BOP and so.

0:45:41.280 --> 0:45:42.330

DeMartino, Dana (CIC)

So you know what I mean?

0:45:42.340 --> 0:45:45.450

DeMartino, Dana (CIC)

And they have they people on there as well as see social people.

0:45:45.460 --> 0:45:50.640

DeMartino, Dana (CIC)

So right, you would think that, but I think the idea, I mean I think that both ideas are good.

0:45:50.650 --> 0:45:58.830

DeMartino, Dana (CIC)

I do think that being like in the library in the religious services would be good because they can, you know, like any you can rewatch like, yeah.

0:45:58.890 --> 0:45:59.820

DeMartino, Dana (CIC)

Like it's like an evening.

0:46:0.240 --> 0:46:3.510

DeMartino, Dana (CIC)

Did he pick up and watch or request or whatever like that?

0:46:3.520 --> 0:46:9.10

DeMartino, Dana (CIC)

Whenever I think a live stream would only allow that set because people could watch, it should do both.

0:46:9.100 --> 0:46:10.190

DeMartino, Dana (CIC)

Yeah, yeah, yeah.

0:46:10.200 --> 0:46:11.210

DeMartino, Dana (CIC)

I mean it will be available.

0:46:11.220 --> 0:46:20.90

DeMartino, Dana (CIC)

I know that we were planning on will be available on our website and then after the screening, of course it will be like on YouTube or whatever else like that.

0:46:20.100 --> 0:46:25.590

DeMartino, Dana (CIC)

So it'll be public and then wherever else we can post it, you know short.

0:46:25.820 --> 0:46:29.430

DeMartino, Dana (CIC)

So it's easy watch, but I'm probably going up with the board members.

0:46:29.440 --> 0:46:30.780

DeMartino, Dana (CIC)

Captain of you and the TV.

0:46:30.860 --> 0:46:40.330

DeMartino, Dana (CIC)

Any input with regard to that whole issue that you wanted to weigh in on for me to think of any panelists that might be advantageous for the conversation?

0:46:42.550 --> 0:46:45.280

DeMartino, Dana (CIC)

Yeah, like I mean, I think it's just, it's so exciting.

0:46:45.290 --> 0:46:54.820

DeMartino, Dana (CIC)

It's just a really, really great idea, and I mean, I'm sure you all are probably already thinking along these lines of having, you know, panelists who went through that program themselves.

0:46:55.480 --> 0:47:3.610

DeMartino, Dana (CIC)

Umm, I know that that's something that like the the JP I just called the Institute folks have worked on a lot.

0:47:3.620 --> 0:47:9.940

DeMartino, Dana (CIC)

And so maybe there's somebody there who would be a good person to talk about this and efforts in other places along these lines.

0:47:12.60 --> 0:47:14.580

DeMartino, Dana (CIC)

I'm also just trying to think I mean with the with with the.

0:47:17.700 --> 0:47:24.930

DeMartino, Dana (CIC)

Is there with the efforts to kind of expand that further and make it more possible for more folks to qualify and that kind of thing?

0:47:25.250 --> 0:47:26.370

DeMartino, Dana (CIC)

Are there people?

0:47:26.420 --> 0:47:32.750

DeMartino, Dana (CIC)

Either you know, Council members or others like that who might be so just it in participating well though.

0:47:32.760 --> 0:47:37.890

DeMartino, Dana (CIC)

I mean that that's the possibility Charles Allen was in the documentary.

0:47:38.120 --> 0:47:46.630

DeMartino, Dana (CIC)

So the way it's set up, you guys haven't seen it, but the way it's set up, Kareem is actually the person who is interviewing the people.

0:47:46.800 --> 0:47:57.620

DeMartino, Dana (CIC)

So it's 66 gentlemen who were released on the on our one and the Council member and director, Isaac have a conversation kind of back and forth.

0:47:57.630 --> 0:47:59.0

DeMartino, Dana (CIC)

So those are the participants.

0:47:59.130 --> 0:48:2.780

DeMartino, Dana (CIC)

So we do have that kind of like wrapped into the the film.

0:48:2.790 --> 0:48:4.540

DeMartino, Dana (CIC)

So we I think, right?

0:48:4.550 --> 0:48:13.10

DeMartino, Dana (CIC)

So I think the idea for the panelists discussion was to have people who were could sort of like respond to what they saw.

0:48:13.20 --> 0:48:14.660

DeMartino, Dana (CIC)

I mean, but again, we're open to ideas.

0:48:14.670 --> 0:48:24.600

DeMartino, Dana (CIC)

You know, it's still kind of early on that we're thinking about picking people, whatever, but I know, I mean, we couldn't by the Council member, it's not a bad idea.

0:48:24.730 --> 0:48:31.680

DeMartino, Dana (CIC)

I mean, it's if it if we thought it might be helpful in terms of like moving the conversation along, I mean just you know.

0:48:33.960 --> 0:48:55.910

DeMartino, Dana (CIC)

Knowing how you know some of the just given the the controversy around criminal justice policy in DC right now to have this be an opportunity for folks who've seen this great film and and it's great documentary and you know or, you know it, it sounds like it's such a great tool for educating people about how important this type the policy is.

0:48:55.920 --> 0:48:57.810

DeMartino, Dana (CIC)

Then what type of a difference it can make?

0:48:57.820 --> 0:49:11.730

DeMartino, Dana (CIC)

Tell me if I'm wrong about that, but like you know, is this an opportunity to try to kind of highlight continued efforts to expand eligibility for IRA or to, you know, kind of build champions around that?

0:49:12.250 --> 0:49:22.60

DeMartino, Dana (CIC)

So maybe maybe it's another Council member, but it might be, you know, like you said, other community Members who can talk about the impact that, that this, you know has on them.

0:49:22.130 --> 0:49:23.150

DeMartino, Dana (CIC)

And umm.

0:49:23.860 --> 0:49:25.890

DeMartino, Dana (CIC)

Or, you know, maybe.

0:49:29.70 --> 0:49:45.250

DeMartino, Dana (CIC)

That mean I'm assuming that our audience will primarily be TC residents because other other place for brain was going kind of bigger picture was this is such a great educational tool for people who might be advocating for these types of policy changes in other places and to be able to talk about the importance of that.

0:49:46.460 --> 0:49:59.790

DeMartino, Dana (CIC)

So that's a that would be great to have people talk about that, but it might not be particularly relevant for folks in DC unless it be good to have, you know, somebody making the case that the CDC is a leader on this in a really positive way.

0:49:59.800 --> 0:50:0.210

DeMartino, Dana (CIC)

Yeah.

0:50:0.260 --> 0:50:0.460

DeMartino, Dana (CIC)

Yeah.

0:50:0.470 --> 0:50:1.100

DeMartino, Dana (CIC)

Yeah, yeah, yeah.

0:50:1.940 --> 0:50:2.630

DeMartino, Dana (CIC)

OK.

0:50:2.990 --> 0:50:7.40

DeMartino, Dana (CIC)

Again, just trying to be sensitive to the time to keep you, unless you have to get off at 7 as well.

0:50:21.100 --> 0:50:26.510

DeMartino, Dana (CIC)

You have been through the spam, but that we were gonna have some advocacy around it at some point, you know?

0:50:26.960 --> 0:50:28.410

DeMartino, Dana (CIC)

So, so.

0:50:28.420 --> 0:50:33.370

DeMartino, Dana (CIC)

So the thing of it is, is that you have Ira and you have the second look.

0:50:34.20 --> 0:50:40.710

DeMartino, Dana (CIC)

Ohh no women qualified for our right, but you do have women who qualify for the second look.

0:50:41.400 --> 0:50:42.950

DeMartino, Dana (CIC)

So no.

0:50:42.960 --> 0:50:50.30

DeMartino, Dana (CIC)

So as of today, no one that we, the one woman on the on the second look leave it's second love.

0:50:50.70 --> 0:51:29.880

DeMartino, Dana (CIC)

So one woman for the second look, and none under the the the the first version of our because that deals with juveniles who were given a large sentences and child, just adults and it was just no women that was in their category with the second looked expanded the age to individuals that was over 18 but under the age of 25 and as passed just reminded me one woman I did benefit so far from the second little so I'm used to be received I recently received a listing from the cords of everybody who's been released on.

0:51:30.40 --> 0:51:41.910

DeMartino, Dana (CIC)

Compassionate release for under IRA, I started with the compassionate release data and my dilemma is at this point it's a slow slug because there are duplicate names we have.

0:51:41.980 --> 0:51:50.720

DeMartino, Dana (CIC)

We'll have Joe Smith and we have two Joe Smith send different BOP numbers so we can distinguish them.

0:51:50.990 --> 0:51:56.380

DeMartino, Dana (CIC)

But the court did not give us any distinguishing data to tell one josman from another.

0:51:57.270 --> 0:52:15.610

DeMartino, Dana (CIC)

So I'm having to match release dates and do all kinds of things and we've still got about 20 or so that we can't really the has the way identify and that's out of 240 some odd who came out under compassionate release.

0:52:15.660 --> 0:52:20.510

DeMartino, Dana (CIC)

The iron list is gonna be longer, so I started with the compassionate release to work the wrinkles out of the system.

0:52:20.930 --> 0:52:22.540

DeMartino, Dana (CIC)

And I'm still ironing the rents.

0:52:24.410 --> 0:52:24.730

DeMartino, Dana (CIC)

OK.

0:52:25.180 --> 0:52:27.960

DeMartino, Dana (CIC)

Ohh any other thing from the board member.

0:52:27.970 --> 0:52:31.350

DeMartino, Dana (CIC)

Any other board member it comment or concern whatever.

0:52:32.400 --> 0:52:34.510

DeMartino, Dana (CIC)

Ohh, I'd almost side we haven't.

0:52:34.520 --> 0:52:36.930

DeMartino, Dana (CIC)

We've heard from everybody in the room except for dining.

0:52:37.360 --> 0:52:50.670

DeMartino, Dana (CIC)

Dining wanted anything on the DLC or food survey or anything in the same like we covered it

and then Mr Thornton hit on the other projects that I'm doing like the recommendations and best practices and the standards.

0:52:50.680 --> 0:52:53.250

DeMartino, Dana (CIC)

So I don't feel anything.

0:52:54.550 --> 0:52:56.780

DeMartino, Dana (CIC)

Nothing that was already covered yet.

0:52:56.790 --> 0:53:3.140

DeMartino, Dana (CIC)

I'm also working with on the best practices and the standards, and those are mostly complete.

0:53:3.200 --> 0:53:12.860

DeMartino, Dana (CIC)

We were working on the BOP standards, but that took a bit of a hitch because now with the ACA no longer a lot of the standards based on the ACA standards.

0:53:13.10 --> 0:53:22.60

DeMartino, Dana (CIC)

And now that that's not a thing anymore, it's simply based off the open policy, which is extremely vague and usually at the discretion discretion of the wardens.

0:53:22.310 --> 0:53:29.630

DeMartino, Dana (CIC)

So gonna tackle that after we umm, get back to the DC standards and finalize those grateful.

0:53:29.640 --> 0:53:30.300

DeMartino, Dana (CIC)

Thank you guys.

0:53:30.310 --> 0:53:49.580

DeMartino, Dana (CIC)

As newcomers on the style for the great work that you're doing on this side, you going tonight else Nicole, no, just that after we do like our initial read in the of the standards that have been brainstormed and researched by the staff, I'm gonna send you all a copy to get your input as well.

0:53:49.590 --> 0:53:57.600

DeMartino, Dana (CIC)

If you can just glaze over them and see if you like what you see, or if you like the pointless and then certain direction, we're definitely open.

0:53:57.610 --> 0:53:58.880

DeMartino, Dana (CIC)

So all of your knowledge.

0:53:59.430 --> 0:54:0.110

DeMartino, Dana (CIC)

But thank you.

0:54:1.250 --> 0:54:2.240

DeMartino, Dana (CIC)

That sounds great.

0:54:2.370 --> 0:54:4.260

DeMartino, Dana (CIC)

Yeah, something else.

0:54:4.460 --> 0:54:5.180

DeMartino, Dana (CIC)

I'm good.

0:54:5.250 --> 0:54:7.480

DeMartino, Dana (CIC)

I'm Catherine and and PC.

0:54:7.490 --> 0:54:20.580

DeMartino, Dana (CIC)

I guess if there's if you guys have any ideas or you know, like, you know, come across somebody who you might think might be a good playlist or you have any ideas for the the event, just let me know and I'll also send a calendar invite once I've firm up the time on the date.

0:54:22.510 --> 0:54:23.320

DeMartino, Dana (CIC)

That's great.

0:54:23.330 --> 0:54:24.620

DeMartino, Dana (CIC)

Thank you all so much.

0:54:24.630 --> 0:54:25.240

DeMartino, Dana (CIC)

Thank you all.

0:54:25.250 --> 0:54:25.520

DeMartino, Dana (CIC)

Great.

0:54:25.610 --> 0:54:27.460

DeMartino, Dana (CIC)

Alright, final word to the board members.

0:54:27.470 --> 0:54:32.340

DeMartino, Dana (CIC)

Since you are so long standing, I've been doing this job capturing the particular I think you're the senior one.

0:54:32.350 --> 0:54:36.760

DeMartino, Dana (CIC)

But any final comments is you're like we let you have the last word since they didn't would be.

0:54:38.680 --> 0:54:41.190

DeMartino, Dana (CIC)

No, just offering great appreciation to you all.

0:54:41.200 --> 0:54:50.310

DeMartino, Dana (CIC)

As usual for just the incredible work this staff does, you cover so much with with so many things in front of us, it's just really very much appreciated.

0:54:50.320 --> 0:54:51.270

DeMartino, Dana (CIC)

So thank you all for that.

0:54:53.520 --> 0:54:54.130

DeMartino, Dana (CIC)

Thank you.

0:54:54.250 --> 0:54:54.770

DeMartino, Dana (CIC)

Thank you.

0:54:54.780 --> 0:54:56.600

DeMartino, Dana (CIC)

I just want to say thank you.

0:54:56.990 --> 0:54:58.180

DeMartino, Dana (CIC)

Yeah, right.

0:54:58.470 --> 0:54:58.560

DeMartino, Dana (CIC)

You.

0:54:58.580 --> 0:55:1.390

DeMartino, Dana (CIC)

Thank you both for making time and making your appearance.

0:55:1.390 --> 0:55:2.850

DeMartino, Dana (CIC)

He might and have a great meeting.

0:55:2.860 --> 0:55:3.570

DeMartino, Dana (CIC)

Have a great evening.

0:55:3.580 --> 0:55:4.420

DeMartino, Dana (CIC)

Have a safe time.

0:55:4.650 --> 0:55:5.210

DeMartino, Dana (CIC)

Alright, goodbye.

0:55:7.430 --> 0:55:8.190

DeMartino, Dana (CIC)

So the meeting is.
