

## Federal Bureau of Prisons’ Institutions, Facility Type, Distance, and Security, Medical Care, and Mental Healthcare Levels as of January 2025

The chart below offers a comprehensive overview of federal Bureau of Prisons institutions in the United States as of January 2025. It details the distance of each facility from Washington, D.C. (Union Station), their respective security classifications, and their medical and mental health care capacities.<sup>1</sup> This information is vital for analyzing how D.C. residents in federal custody are housed across the country, considering factors such as proximity to home, security requirements, and access to various levels of healthcare within the Bureau of Prisons system.
